

Graduate Summer Internship Program

Call for Proposals: University of Cincinnati AAUP

The University of Cincinnati Chapter of the American Association of University Professors (UC-AAUP) is currently soliciting proposals from Cincinnati-area nonprofits for a Summer Graduate Internship. The Chapter will fund a Graduate Student intern to work on projects in the tri-state area, with preference given to work on social and economic issues. The Internship will be expected to run from mid-May through early August, and the Chapter will provide \$4,000 for an Intern to engage in research or fieldwork for approximately 20 hours per week.

Interested organizations should submit a brief proposal, outlining their need for a summer intern. In addition to details of the project, organizations should explain how the Graduate Student will be supervised during that time, what the specific goal or outcome of the project will be, and the skills and abilities that the student will develop by completing the project. Proposals are due no later than March 1st, 2017.

Submit your proposals to phoebe.reeves@uc.edu.
