

Retirement Seminars - 2017

RETIREMENT SEMINARS - 2017

The AAUP and University Human Resources jointly sponsor Retirement Seminars each year. Seminar topics include retirement process, final paychecks, health care options, tax issues, Emeritus/Emerita status, and retiree benefits such as parking and use of UC libraries. These seminars are useful to those who have already decided to retire and to those who are contemplating retirement in the next few years. Two sessions will be available this year, one for those who plan to retire under traditional STRS/OPERS plans and one for those who plan to retire under Grandfathered Plans (for those hired prior to July 1977 and who opted out of STRS) or ARP (Alternative Retirement Program):

Traditional STRS/OPERS Plans: **Thursday, February 23, 10:00 am - 12:00 noon**

Stratford Heights Banquet Room*

Grandfathered or ARP Plans: **Friday, February 24, 12:00 noon - 2:00 pm**

Stratford Heights Banquet Room*

University Human Resources will provide the main presentations. In addition, Shara Bailey, Coordinator for Higher Education Retirement Plans at STRS, will present on Thursday, February 23. On Friday, February 24, representatives from TIAA-CREF and Fidelity will be available to speak individually with Faculty Members covered under Grandfathered or ARP plans. On both days, the AAUP and the Human Resources Service Center will have representatives on hand to answer questions.

If you would like to attend one of these sessions, please RSVP to the AAUP Office at 556-6861 or via email (aaupuc1@ucmail.uc.edu). If you are signing up for the Friday session, please let the AAUP Office know which plan you are covered by — Grandfathered or ARP.

*The University's Stratford Heights Complex is just off Clifton Avenue, across the street from McMicken Hall. A parking garage is accessible at the end of the street that runs behind the complex (parallel to Clifton Ave.) Refreshments will be provided by the AAUP.
